Day 4 : Beat Box

Clap the rhythm of the melody of
your song 3 times.

Day 5 : Different Voices

If you have a digital piano, play
your song 3 times using a different
voice each time. (e.g., strings, harp,
choir etc.)

Day 6 : Memory Test

Play the first measure of your song with
your eyes closed, then open them and
continue playing to the end of the song.
Do this 3 times!
Easy? Try memorizing the first line 😊

Day 7 : Pop Star

Play your song 3 times and sing
while you play. If there are no
words, just sing "La, la, la." 😊

Day 8: Be The Teacher

Teach your parent or sibling the last 3 notes of your song. Then you can play it together 3 times - you begin then and let them play the last 3 notes.

Day 9: Take A Break

Don't practice your Christmas song today. Instead, just enjoy playing different pieces that you can already play well.

Day 10: Maestro

Invite your family to listen to you play your song. Of course, they will want an encore and you'll end up playing it for them 3 times! 😊
